ABOUT OUR RESORT

Sitting majestically above the riverbank, Noyo Harbor Inn offers 15 rooms set against a sweeping view of the forests, flowing river, active harbor and ocean beyond.

At Noyo Harbor Inn's **Harbor View Bistro & Bar**, the California Coastal cuisine is almost exclusively organic, mostly local and supremely fresh. The restaurant offers breakfast, lunch and dinner service, and a nightly happy hour in the bar area. Guests can dine on the pet-friendly outdoor deck, with picturesque views of Noyo River and the boat docks, as the sea gulls and seals frolic above and below, and the sea lions bark their contentment.

Available 7 days per week, our **Spa at Noyo** offers relaxing and rejuvenating spa services in an intimate and tranquil environment overlooking the harbor.

We are so glad you are here and invite you to enjoy the grounds and all we have to offer!
